Quarry

QUARRY NATURAL STONE

The construction and decoration with quarry has multiple benefits. The quarry is a natural product that has been formed over millions of years. Each project developed with quarry, stands out as unique, durable and environmentally friendly.

With an extraordinary hardness and strength, LUXSTONE[®] extracts the quarry stone from its origin and develops a rich variety of colors and formats in its different applications: flooring and wall coverings, countertops, sinks, tubs and more.

We offer 5 kinds of stone quarry with different finishes:

- 'Ticul' Stone
- 'Conchuela' Stone
- 'Crema Maya' Stone
- Fossil Stone
- Travertine Mayan Thó .
